Saturday, August 9th

12:00 – 1:30 pm Fundamentals (all levels)

Professionals and beginners alike need to work on the fundamental elements of Tango. There is always something in our posture and form to be more aware of to make us look fantastic on the dance floor. Issues with more advanced movements can most often be traced back to balance, foot-work, connection, parallel & crossed (even & uneven) walk, forward & back ochos.

1:45 – 3:15 pm Beyond the Basics (Int.)

Agustina & Claudio step it up a notch and help us with some more demanding skills: changing directions, changing dynamics, as well as enroques & acceleration in turns.

3:30 – 5:00 pm Vals (Intermediate)

Focus on the musicality of Vals (Argentine Waltz).

Sunday, August 10th

5:00 – 6:30 pm More Fundamentals
(Beginning – Intermediate)

In this class, explore turning techniques and the skills and techniques of both leading and following. We will also examine the essential and elusive role of musicality.

6:45 – 8:15 pm Milonga (all levels)

Spice up your Milonga with Agustina & Claudio's insight to this fun dance with such useful skills as traspie, syncopation, and corridas.

The last 15 minutes of each class will be for practice and/or warm-up for the next class. Please try to arrive early so you don't miss anything.
